3 October 2024

Dear Parents and Careers,

Tuesday 8th October – Wellington Community Farm

We are pleased to have been invited to take Year 3/4 to visit the Wellington Community Farm. The farm occupies 18 acres adjacent to the Basins and was developed to provide healthier, responsibly grown food to Wellington residents. The farm also prioritises wildlife support with meadow and protected hedgerows.

The children will have the opportunity to follow the farm's natural trail and visit the growing beds to see how vegetables are grown.

The visit will not affect drop off or pick-up times as it is during the school day. If the weather holds out, it will be a lovely to have lunch/picnic before going back to school; therefore, your child will need to bring a packed lunch with them on the day. If you have already booked a hot meal, this will be cancelled, and a refund made on ParentPay. However, if you are in receipt of free school meals and would like a packed lunch provided, please contact the office by 12pm, Friday 4th October, stating which sandwich filler your child would prefer - cheese, ham or tuna.

Please ensure that your children arrive in forest school clothing with a coat for the visit. As it has been raining recently, I would also advise putting wellington boots in a bag for them to bring so it doesn't wreck their shoes, but shoes are still needed as we will be back in the classroom after lunch.

Kind Regards,

Mr Clancey
Year 3/4 Phase Leader
