

## Wellesley Park Primary School Long Term Plan

### Subject: Music – Charanga Music Program

Each Unit of Work comprises the of strands of musical learning which correspond with the national curriculum for music:

**Listening and Appraising; Musical Activities; Warm-up Games; Optional Flexible Games; Singing; Playing instruments; Improvisation; Composition; Performing**

From EYFS through to 6, Charanga Musical School – the online interactive music teaching and learning resource – is used extensively to aid pupils’ progression and learning development in music.

The National Curriculum for Music at Key Stages 1 and 2 aims to ensure that all pupils:

- perform, listen to, review and evaluate music across a range of historical periods, genres, styles and traditions, including the works of the great composers and musicians
- learn to sing and to use their voices, to create and compose music on their own and with others, have the opportunity to learn a musical instrument, use technology appropriately and have the opportunity to progress to the next level of musical excellence
- understand and explore how music is created, produced and communicated, including through the inter-related dimensions: pitch, duration, dynamics, tempo, timbre, texture, structure and appropriate musical notations.

Therefore, Charanga’s online resource has been tailor made so that “the interrelated dimensions of music weave through the units to encourage the development of musical skills as the learning progresses through listening and appraising, differing musical activities (including creating and exploring) and performing.”

Each Unit of Work comprises the of strands of musical learning which correspond with the national curriculum for music:

1. Listening and Appraising

2. Musical Activities

- a. Warm-up Games
- b. Optional Flexible Games
- c. Singing
- d. Playing instruments
- e. Improvisation
- f. Composition

3. Performing

<p>Early Learning Goals – Exploring and using Media and Materials:</p> <ul style="list-style-type: none"> <li>• Children sing songs, make music and dance, and experiment with ways of changing them.</li> <li>• Begins to build a repertoire of songs and dances.</li> <li>• Explores the different sounds of instruments</li> <li>• They represent their own ideas, thoughts and feelings through design and technology, art, music, dance, role play and stories.</li> </ul>	<p>KS1</p> <p>Pupils should be taught to:</p> <ul style="list-style-type: none"> <li>•use their voices expressively and creatively by singing songs and speaking chants and rhymes</li> <li>•play tuned and untuned instruments musically</li> <li>•listen with concentration and understanding to a range of high-quality live and recorded music</li> <li>•experiment with, create, select and combine sounds using the inter-related dimensions of music.</li> </ul>	<p>KS2</p> <p>Pupils should be taught to sing and play musically with increasing confidence and control. They should develop an understanding of musical composition, organising and manipulating ideas within musical structures and reproducing sounds from aural memory.</p> <p>Pupils should be taught to:</p> <ul style="list-style-type: none"> <li>- play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression</li> <li>- improvise and compose music for a range of purposes using the inter-related dimensions of music</li> <li>- listen with attention to detail and recall sounds with increasing aural memory</li> <li>- use and understand staff and other musical notations</li> <li>- appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians</li> <li>- develop an understanding of the history of music.</li> </ul>

# Learning progression

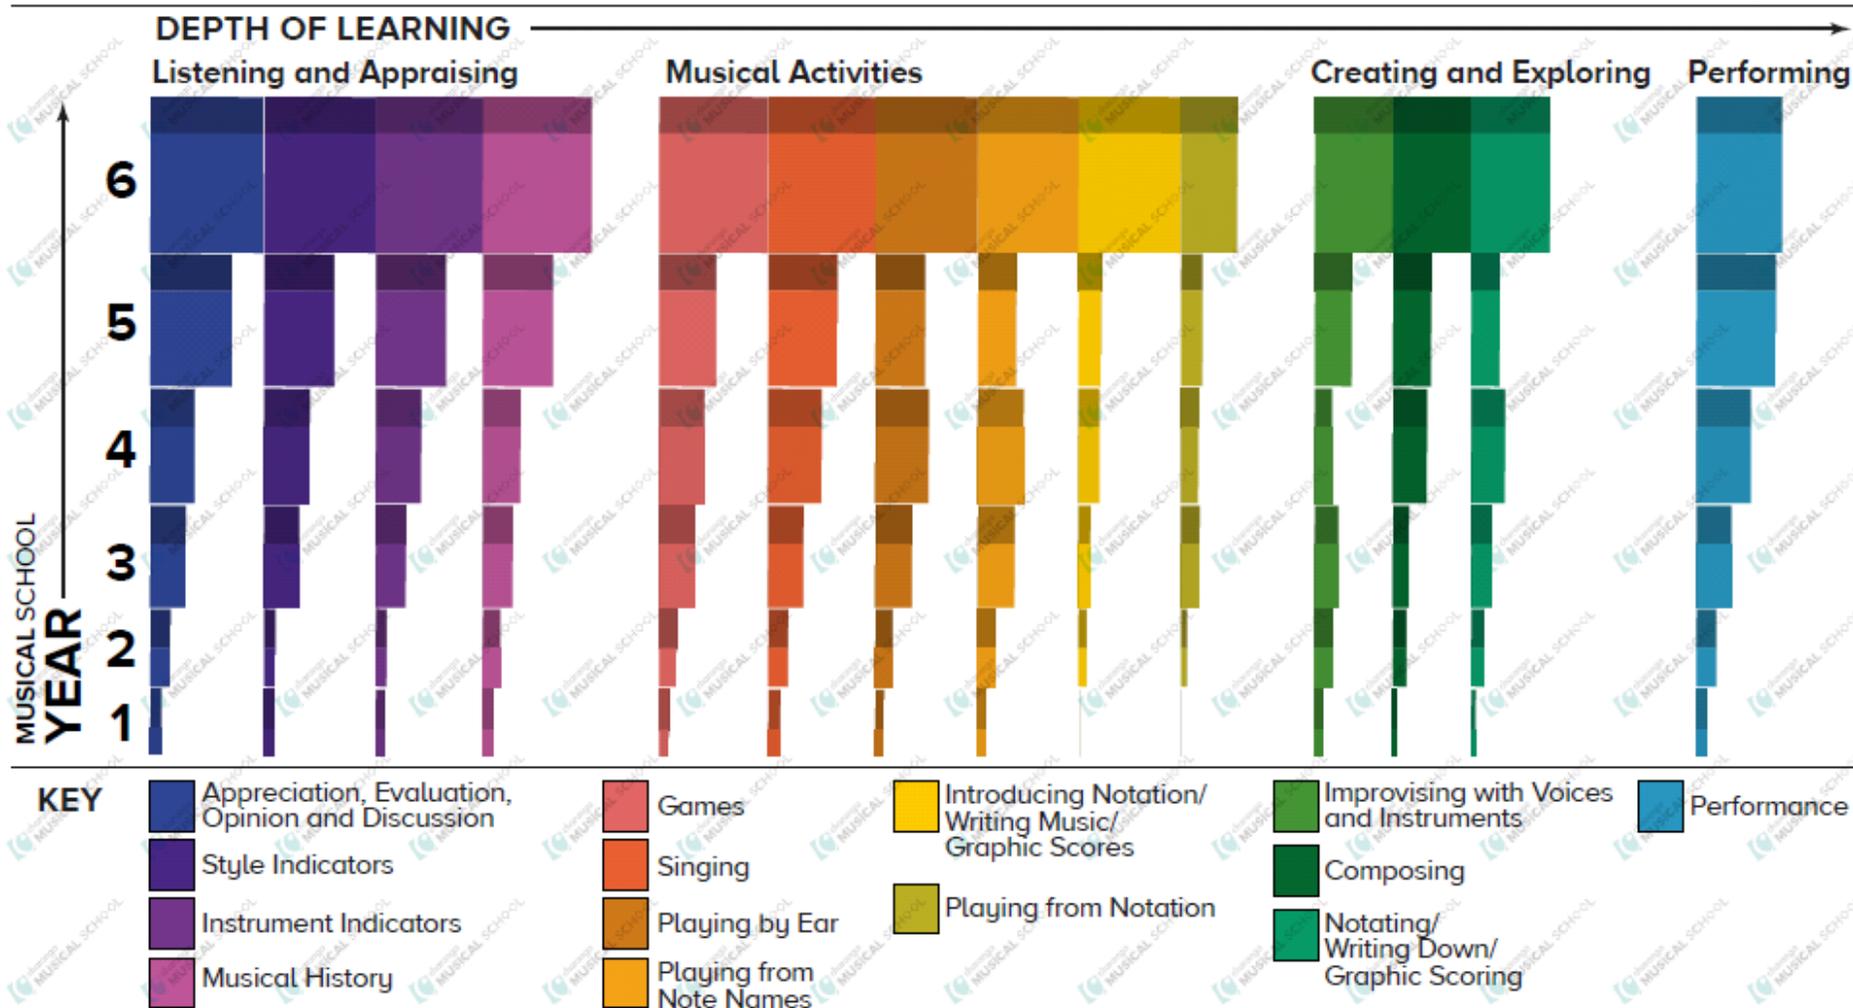

Depth of learning through Charanga Musical School

## National Curriculum 2014:

"...learn to sing and to use their voices, to create and compose music on their own and with others, have the opportunity to learn a musical instrument, use technology appropriately and have the opportunity to progress to the next level of musical excellence..."

"Pupils should be taught to sing and play musically with increasing confidence and control. They should develop an understanding of musical composition, organising and manipulating ideas within musical structures and reproducing sounds from aural memory."

"Pupils should be taught to: play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression."

# The Interrelated Dimensions of Music

Progression through Charanga Musical School

Progression throughout the Units of Work reinforces the interrelated dimensions of music.

With each new song, always start again with the foundation of pulse, then rhythm, then pitch, adding new dimensions as you progress.

This represents an ever increasing spiral of musical learning.
