**\*COVERED IN EVERY UNIT IN EVERY YEAR GROUP\***

- listen attentively to spoken language and show understanding by joining in and responding

- develop accurate pronunciation and intonation so that others understand when they are reading aloud or using familiar words and phrases

- understand basic grammar appropriate to the language being studied, including (where relevant): feminine, masculine and neuter forms and the conjugation of high-frequency verbs; key features and patterns of the language; how to apply these, for instance, to build sentences; and how these differ from or are similar to English
