

# Wellesley Park Primary School – Art & Design

**Topic: Painting**

**Year: 6**

**Strand:**

## Unit Focus

Cubism/ Surrealism

Key Vocabulary	Definition
Geometric	Using regular lines and shapes to create a piece of art
Collage	A collection of various materials used together to create a piece of art
Abstract	Art that does not attempt to accurately represent reality
Non-naturalistic	Not closely imitating or based on real life or nature
Cubism	The breaking down of objects and figures into distinct areas/planes, different viewpoints presented at the same time within the same space.
Surrealism	The Surrealists sought to channel the unconscious as a means to unlock the power of the imagination.

Art	Artist/Title
	Pablo Picasso
	Salvador Dali
	Rene Magritte

## What we know

I can organise line, tone, shape and colour to represent figures and forms in movement.

I can express my emotions accurately through my painting and sketches.

## Examples of skills

- Represent reality in a different way
- I can explain why I have chosen specific drawing techniques.
- I can use a range of techniques and explain why I have chosen them.
- I can identify the differences between Cubist and Surrealist art.
