At Wellesley Park Primary School, we understand the need to continually deliver high-quality education, including periods of remote working – whether for an individual pupil, or many. We recognise the importance of maintaining high standards in all areas of school life and of ensuring that all pupils have access to the learning resources and the support they need to succeed.

Through the implementation of this policy, we aim to address the key concerns associated with remote working, such as online safety, access to educational resources, data protection and safeguarding.

Resources

Wellesley Park Primary School will use a range of different teaching methods during remote learning to model and explain concepts and address misconceptions easily. For the purpose of remote learning, staff will make use of:

- Work booklets
- Email
- Current online learning portal – Class Dojo
- Educational websites
- Reading tasks
- Pre-recorded video or audio lessons

Teachers will review the DfE's list of online education resources and utilise these tools as necessary, in addition to existing resources.

Reasonable adjustments will be made to ensure that all pupils have access to the resources needed for effective remote learning.

Teachers will ensure the programmes chosen for online learning have a range of accessibility features, e.g. voice-to-text conversion, to support pupils with SEND.

Lesson plans will be adapted to ensure that the curriculum remains fully accessible and inclusive via remote learning.

The school will review the resources pupils have access to and adapt learning to account for all pupils needs by using a range of different formats, e.g. providing work on PDFs which can easily be printed from a mobile device.

Work packs will be made available for pupils who do not have access to a printer – these packs can be collected from school.

Teaching staff will liaise with the SENCO and other relevant members of staff to ensure all pupils remain fully supported for the duration of the remote learning period.

The SENCO will arrange additional support for pupils with SEND which will be unique to the individual's needs, e.g. via weekly phone calls/emails.

Any issues with remote learning resources will be reported as soon as possible to the relevant member of staff.

Pupils will be required to use their own or family-owned equipment to access remote learning resources, unless the school agrees to provide or loan equipment, e.g. laptops/iPads.

For pupils who cannot access digital devices at home, the school will, where possible, apply for technology support through their LA.

Pupils and parents will be required to maintain the upkeep of any equipment they use to access remote learning resources.

Teaching staff will oversee academic progression for the duration of the remote learning period and will mark and provide feedback on work. They will provide lessons that are relevant to the

curriculum focus for their year group and endeavour to replicate this through video clips and tasks for home learners.

The arrangements for any 'live' classes, e.g. webinars, class chats will be communicated via the Class Dojo page, no later than two days before the allotted time and kept to a reasonable length of no more than 30 minutes per session.

Food provision

The school will signpost parents via parent mail towards additional support for ensuring their children continue to receive the food they need, e.g. food banks.

Where applicable, the school may provide the following provision for pupils who receive Free School Meals (FSM):

- Making packed lunches available for delivery or collection
- Providing vouchers to families

Online safety

This section of the policy will be enacted in conjunction with the school's Online Safety Policy.

All staff and pupils using video communication must:

- Communicate in groups, or if one-to-one, with a parent present
- Wear suitable clothing – this includes others in their household
- Be situated in a suitable 'public' living area within the home with an appropriate background – 'private' living areas within the home, such as bedrooms, are not permitted during video communication
- Use appropriate language – this includes others in their household
- Maintain the standard of behaviour expected in school
- Use the necessary equipment and computer programs as intended
- Not record, store, or distribute video material without permission
- Ensure they have a stable connection to avoid disruption to lessons
- Always remain aware that they are visible

All staff and pupils using audio communication must:

- Use appropriate language – this includes others in their household
- Maintain the standard of behaviour expected in school
- Use the necessary equipment and computer programs as intended
- Not record, store, or distribute audio material without permission
- Ensure they have a stable connection to avoid disruption to lessons
- Always remain aware that they can be heard

The school will consider whether one-to-one sessions are appropriate in some circumstances, e.g. to provide support for pupils with SEND. This will be decided and approved by the SLT, in collaboration with the SENDCo.

Pupils not using devices or software as intended will be investigated, in line with the Positive Behaviour Policy.

The school will ensure that parents and carers are made aware, in advance, of the arrangements in place for the continuity of high-quality education.

The school will ensure that all school-owned equipment and technology used for remote learning, has suitable anti-virus software installed, can establish secure connections, can recover lost work, and allows for audio and visual material to be recorded or downloaded, where required.

During the period of remote learning, the school will maintain regular contact with parents to:

- Reinforce the importance of children staying safe online
- Ensure parents are aware of what their children are being asked to do, e.g. sites they have been asked to use and staff they will interact with
- Encourage them to set age-appropriate parental controls on devices and internet filters to block malicious websites
- Direct parents to useful resources to help them keep their children safe online

The school will not be responsible for providing access to the internet off the school premises and will not be responsible for providing online safety software, e.g. anti-virus software, on devices not owned by the school.

Safeguarding

This section of the policy will be enacted in conjunction with the school's Child Protection and Safeguarding Policy.

- The DSL and Headteacher will identify 'vulnerable' pupils (pupils who are deemed to be vulnerable or are at risk of harm) via risk assessment prior to the period of remote learning
- The DSL will arrange for regular contact to be made with vulnerable pupils, prior to the period of remote learning
- Phone calls made to vulnerable pupils will be made using school phones, where possible or using withheld numbers
- The DSL will arrange for regular contact with vulnerable pupils once per week at minimum, with additional contact, including home visits, arranged where required
- All contact with vulnerable pupils will be recorded on the Staff Shared Microsoft One Drive or CPOMS and suitably stored in line with the Data Protection Policy
- The DSL will keep in contact with vulnerable pupils' social workers or other care professionals during the period of remote working, as required

All home visits must:

- Have at least one suitably trained individual present
- Be undertaken by no fewer than two members of staff
- Be suitably recorded on paper and the records stored so that the DSL has access to them

- Actively involve the pupil

All members of staff will report any safeguarding concerns to the DSL immediately.

Pupils and their parents will be encouraged to contact the DSL if they wish to report safeguarding concerns, e.g. regarding harmful or upsetting content or incidents of online bullying. The school will also signpost families to the practical support that is available for reporting these concerns.

Marking and feedback

All schoolwork completed through remote learning must be:

- Finished when returned to the relevant member of teaching staff
- Returned on or before the deadline set by the relevant member of teaching staff
- Completed to the best of the pupil's ability
- The pupil's own work
- Marked with a positive comment and feedback
- Returned to the pupil, once marked, by an agreed date

The school expects pupils and staff to maintain a consistent and good work ethic during the period of remote learning.

Pupils are accountable for the completion of their own schoolwork – teaching staff will contact parents via Class Dojo or telephone, if their child is not completing their schoolwork, or their standard of work has noticeably decreased.

Teaching staff will monitor the academic progress of pupils with and without access to the online learning resources and discuss additional support or provision with the Headteacher, as soon as possible.

Teaching staff will monitor the academic progress of pupils with SEND and discuss additional support or provision with the SENDCo as soon as possible.

The school accepts a variety of formative assessment and feedback methods, e.g. through quizzes and other digital tools from teachers, and will support them with implementing these measures for remote learning, where possible.

Communication

The school will ensure adequate channels of communication are arranged in the event of an emergency.

The school will communicate with parents via email, parent mail and the school website about remote learning arrangements, as soon as possible.

The Headteacher will communicate with staff the remote learning arrangements.

Members of staff involved in remote teaching will ensure they have a working mobile device, that is available to take phone calls during their agreed working hours.

The school understands that pupils learning remotely have the right to privacy out-of-hours and should be able to separate their school and home lives – communication is only permitted during school hours.

Members of staff will have contact with their line manager, once per week.

Pupils will have verbal contact with a member of teaching staff at least once per week via group phone call/class chat.

Parents and pupils will inform the relevant member of staff as soon as possible if schoolwork cannot be completed.
