PE and Sports Premium Grant Annual Report 2017/18

PE and Sports Premium Grant	
Key priorities:	
To improve the Physical Education (PE) and sports programs offered by Primary schools	
What is the PE and Sports Group Premium?	
From September 2017, the Government doubled the funding to primary schools to £320 million to increase, support and facilitate physical activity. The school received £19,200. This funding is specifically 'ring fenced' for use in PE and schools will be held to account for how they spend their additional funding.	
What we expect to see:	
<ul style="list-style-type: none"> • High quality of PE teaching • All pupils being active in school • The promotion and celebration of physical activity as well as a raised level • The provision of varied sports opportunities • Increased participation in competitive sport

school's tournaments e.g. by providing transport and release for staff to attend where necessary

- Funding additional sporting equipment
- Supporting externally delivered dance provision for KS1 & KS2 children

How will impact be measured?

High quality PE teaching and learning

- Pupils are receiving lessons from a specialised PE coaches in Years R-6 and children are using the facilities at Wellesley Park for additional sporting opportunities.

Assessment of Progress

- Progress monitored by both specialized PE staff and teaching staff. The PE coordinator is to oversee and monitor progress of whole school.

Observations of children and staff during PE lessons.

- Lessons to be observed formally by Senior Leadership team to ensure that the quality of lesson is as high as possible.

Greater participation for all children in sporting events

- Children to be given the opportunity to take part in many activities both inside and outside of lesson time.
- Targeting a broader spectrum of children taking part in school sport beyond the curriculum.

Outcomes to date (2017-2018):

Children in Year R-6 have benefited from receiving specialised PE teaching. Throughout the school year they have covered a range of sporting activities, covering one activity within each half-term. The range of activities has been developed so that each pupil has had the opportunity to advance their skills and gain an interest that may continue outside of school. These units have included invasion games, net/wall games, gymnastics, dance, striking/fielding games and athletics.

Additionally, over the year children have been able to participate in; -

- Golden Mile – all children timed to run, walk or jog a mile and then supported and encouraged to improve their time over the year.
- Dance provision for the children was enhanced with a visit by The West End Musical Company who put on a show for each Key Stage.
- Years 1 to 6 were provided the opportunity to take part in an Indian Dance workshop.
- Regular participation within local school's tournaments and competitions and

central venue leagues organised through SASP (allows taking part in the National School Games competitions). E.g. Reached level 3 County competitions in football and hockey, taken part in tennis, cross-country, cyclo-cross.

- Access to Fitter Future website – promotes a healthy and active lifestyle through workouts accessed online. These can be done inside and/or outside and children are able to access at home to compete in monthly workout challenges.
- Key Stage One and Key Stage Two Multi Skills Events
- Supporting Bikeability in Year 5 and 6
- PE resources were enhanced to ensure all children have access to a wide range of PE equipment e.g. new footballs and goals, badminton equipment, playtime sports equipment organised via the School Council.
- Sports day run successfully with all pupils taking part in at least two events across all year groups.
