# Let's Practise Telling The Time: The Hour Hand

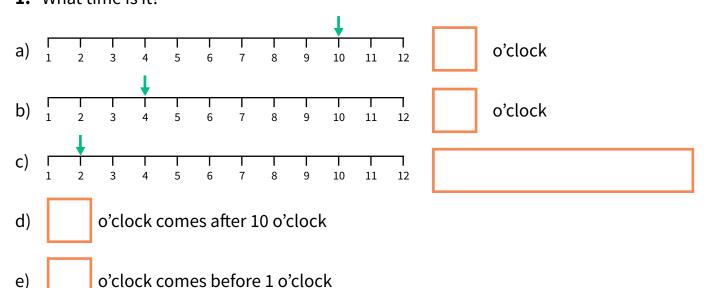

# **Example**

When the hour hand points to a number on this number line, it tells us how many hours it is.

#### This shows that it is 7 o'clock.

1. What time is it?

# **Example**

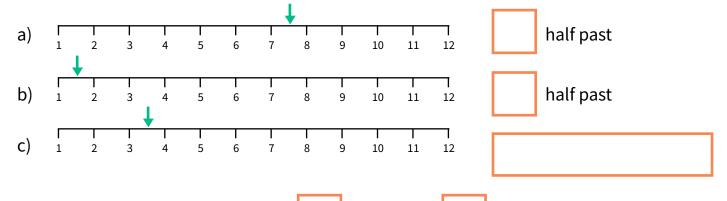

The hand is pointing halfway past the 6.

This shows that it is **half past 6**.

### Let's Practise Telling The Time: KS1/KS2

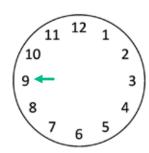

### 2. What time is it?

d) Half past 10 is half way between o'clock and o'clock.

We can bend the number line around so that it becomes a circle.

It is 9 o'clock. 8 o'clock comes before 9 o'clock. 10 o'clock comes after 9 o'clock.

**3.** Count forwards in o'clock times from 9 o'clock.
