

# Wellesley Park Primary School – School Values

## INTEGRITY

### What is integrity?

Integrity means following your moral or ethical convictions and doing the right thing in all circumstances, even if no one is watching you. Having integrity means you are true to yourself and would do nothing that demeans or dishonours you.

Key Vocabulary	Definition
moral	concerned with the principles of right and wrong behaviour
ethical	Following accepted rules of behaviour
demeans	do something that is beneath one's dignity
dishonours	bring shame or disgrace on someone or something

### Examples of skills

At Wellesley Park, our aim is to show integrity in everything we do. We are encouraged to persevere with any task that might be asked of us, even if we find it difficult at first. We also show integrity in our behaviour, evidencing our golden rules wherever we are in school, even if no-one is looking.

### Why Wellesley Park think this value is so important

Honesty and integrity are important traits to have in your academic and professional life. In school, good student-teacher relationships come from mutual respect, integrity and trust, which mean children can get the most out of their school experience. In the real world, employers are more likely to hire someone who has a reputation for being honest and who they know they can rely on to get a task done, without having to monitor them constantly.
